

Mooroobool / Manunda Neighbourhood Watch.
Registration Form for the Low Carbon Diet Competition.

Residents are invited to register for the competition to reduce their households' average daily usage (kWh) of electricity. As part of the competition residents are asked to present their electricity accounts for the months of May and August.

The average daily usage for the month of May will be recorded and compared with the average daily usage in the August electricity account.

The residents who have been most successful in reducing their average daily usage from the May account will be entitled to the incentive rewards.

“Climate Smart Home Service” visits will be given to the first 25 registered residents. These are worth \$50 comprising of replacement of light bulbs, 2 shower nozzles and a wireless energy monitor to help keep tabs on your energy consumption.

The Competition Prizes will be:

1. Outdoor Setting / BBQ valued at \$1 500. (Only (1) winner! If a tie results, participants will draw a ticket to become the winner)
2. 10 x \$100 Grocery Vouchers.
3. 20 x \$35 Solar Powered House Numbering
4. 20 x CFL (compact fluorescent lamp) \$8
