at " PRIDE LEAGUES CLUB " 7pm - 6th October 2009

Location 172 - 184 Irene Street, Moorroobool. Ph 40531169

AGM Meeting will be held on 3rd November 2009. Come along and vote for the committee that you would like to look after your community for the remainder of 2009 and 2010.

As time comes closer to the end of the year, some helpful hints for the cyclone season: Trim over grown trees and dead or loose branches, remove any loose debris and accumulated rubbish around the house, please take all rubbish to the dump.

Do not dump rubbish on creek banks or the retention basing site, the retention basin site is not a dumping ground and could end up in heavy finds to the culprits. Rubbish blocks Creeks and Drains.

It is always a good practice to check your roof for any loose screws, fence palings etc. have a good general tidy up now, and it could save you a lot of anxiety **IF** a cyclone decides to come our way.

All issues can be reported to all relative departments through the NHW program at the meeting.

The Regional Ratepayers association of Cairns Inc meeting will be held at 8pm, if you have any pressing points to discuss please feel free to come along. Membership fee is only \$2, donations are welcome. As you would have noticed maintenance is being carried out in Moody and Chinnaman Creeks in preparation to assist the communities to reduce the level of flooding this wet season, as occurred in January and February this year. It has not been easy to get to this stage; maintenance will continue to be carried out in one form or another around the effected areas. The updates will be presented at the meeting.

You are encouraged to attend the meeting to hear first hand of the intention of the upgrades as they come to hand, an invitation will be sent to a representative to attend the meeting.
