Police are distributing the “Lock it or Lose it” campaign flyers around the area to areas being affected by a spike in unlawful entry to motor vehicles offences in specific areas. These flyers aim at ensuring people lock their vehicles up to avoid people being opportunist in their crimes.

The community thank the Police Beats for their dedicated persistence to reducing the crime stats in Mooroobool / Manunda / Manoora. The stats have been reduced in some areas this month. The Police Beats now have direct contact to the community. Just call the Beats as listed and your call will go direct to the officers on patrol in the immediate area.

Now a good gesture from the community would be to respect the Police for their hard work with assistance through reporting crime or suspicious behaviour to Police or Crime Stoppers. Crime Stoppers is a non-intrusive way of reporting crime. They are only interested in the issue not your name, number or address.
